INSTRUCTIONS

WHO MUST FILE. Every entity making application for a motor fuels or aircraft fuels supplier, distributor, wholesaler, importer, exporter or compressed fuel retailer license who does not currently hold a valid fuel tax license, is required to file a surety bond. Security may also be required when deemed necessary by the Motor Fuels Tax Division to ensure compliance with Nebraska Motor Fuels Tax Laws. When a licensee fails to file timely returns, when tax has not been remitted, or when an audit indicates severe problems, a bond may be required.

WHEN AND WHERE TO FILE. The bond and Nebraska Motor Fuels License Application, Form 20MF, must be mailed together to the Motor Fuels Division, P.O. Box 98904, Lincoln, Nebraska 68509-8904. If a bond or application is received separately, it will be returned to the applicant.

DETERMINATION OF AMOUNT. The bond amount for a motor fuels producer, supplier, distributor, wholesaler, importer, or exporter license is approximately three times the estimated average monthly tax liability, in an amount not less than \$20,000. The bond amount for an aircraft fuels supplier, distributor, wholesaler, importer, or exporter license is approximately three times the estimated average monthly tax liability, in an amount not less than \$10,000. When no prior record of liability exists, applicants must estimate their potential liability.

The bond amount for a compressed fuel retailer is approximately two times the estimated average quarterly tax liability, or three times the estimated average monthly tax liability, depending upon the filing frequency. In no instance will this be less than \$1,000. When no prior record of liability exists, applicants must estimate their potential liability.

The duration of this bonding requirement shall be at least one year. In the case of an exporter, the amount and duration of the security shall be fixed by the division.

Failure to maintain a proper bond is cause for license or permit suspension or cancellation.

A Nebraska Motor Fuels Tax Bond Rider, Form 70XN, must be filed to indicate the following changes to existing bonds:

Change in name;

Change in ownership;

Change in form of ownership;

Change in amount of bond; or

Change in effective date of bond.

COMBINED MOTOR FUELS TAX BOND

WHO MAY FILE. Any person applying for or holding two or more licenses or permits may, in lieu of filing a separate bond for each license or permit, file a combined bond.

DETERMINATION OF COMBINED AMOUNT. The amount of a combined bond shall be the cumulative total of the amount of the individual bonds which otherwise would be required. The Nebraska Schedule – Combined Motor Fuels Tax Bond must be completed when filing a combined bond.
